

Life Groups Calendar 2010-2011

The Life Groups Calendar is created to help groups schedule their Life Groups meeting dates. The weeks suggested are carefully chosen to avoid conflicts with other Midland Free ministry events and activities.

Life Groups are the primary way to connect and build friendships at Midland Free. Groups meet every week in homes to dig deeper into their faith, encourage each other, pray for each other, and grow in their relationship with God and one another. Midland Free has three cycles of Life Groups in the 2010-2011 ministry year. The first and second cycles are 10 weeks and the third cycle is 7 weeks.
