Child Dedication Application

Introduction:

The dedication of a child is a commitment of the parents to raise their child in the ways of the Lord - to bring them up according to Deuteronomy 6. Child dedication has its roots in the Old Testament, where first born males were to be brought to the Temple and dedicated to the Lord. Dedication does not mean that the child is automatically going to Heaven - it is simply an expression of the parents' commitment to raise their children in the ways of the Lord.

How Do We Line up a Dedication?

Please complete and return this form to the Children's Ministries Asst. in the church office. Please indicate on the line below whom you would like to perform your child's dedication, this can be either your small church leader or a pastor. If you are requesting a pastor, please include 2 pastors to choose from on the line below. Small church leaders will coordinate with the pastor and facility staff to schedule the dedication.
